SIR

Subject Grant of Rs 50,000/- for slum clearance and improvements in Corporation limits for the year 1955-56

I write to state that the Government in their order No L 5684-95/C M 90-54-1 dated 11/13-8-1955 sanctioned a grant of Rs 50,000/- to the Corporation for slum clearance and slum improvement during 1954-55 subject to an equal amount being made available by the Corporation for the purpose and the scheme of R one lakh was executed during last year for improving certain slums and also constructing one room tenamental blocks in Goripalyam, behind Corporation Stores, Murphy Town and Doddigunta for the use of slum dwellers

In this connection, it may be pointed out that one-tenth of population of the Corporation area are residing in 91 slum pockets consisting of about 12,500 families residing in thatched huts of the most insanitary type A big scheme has been prepared for improving the conditions of such slums and slum dwellers under the 2nd Five year plan and it will take some time for the scheme to be sanctioned It would therefore not possible to tackle the problem with the normal resources of the Corporation However, one lakh of Rupees is provided in the Corporation Budget this year to effect some improvements in certain slums and will not be sufficient to take up construction of tenamental houses for displaced persons in slum areas as was done last year without the Government grant

I, therefore, request that the Government may be pleased to sanction a grant at least Rs. 50,000/- for the current year 1955-56 and also to make a provision of like sum in the budget for 1956-57

Yours faithfully,
